

### **REMARKS**

The Official Action of August 10, 2005 was a restriction requirement/election of species requirement. The Official Action took the position that the following four species were disclosed and recited in the application:

Species 1, recited in claims 1, 3, 4, 11-13, 15, and 16, drawn to Figs. 1 and 2;

Species 2, recited in claims 1, 3, 5, 6, 12, and 14, drawn to Fig. 3;

Species 3, recited in claims 1, 2, 7, 8, 12, and 14, drawn to Fig. 4; and

Species 4, recited in claims 1, 2, 7, 9, 10, 12, and 14, drawn to Fig. 5.

Applicant respectfully elects to prosecute the subject matter of Species 2, recited in claims 1, 3, 5, 6, 12, and 14, drawn to Fig. 3, without traverse.

However, in view of the fact that claims 1 and 12 are generic, Applicant respectfully requests, upon a finding of allowability of claims 1 or 12, that all of the claims in this application be examined.

Applicants submit that inventorship does not need to be amended at this time.

In the event this paper is not being timely filed, the applicants respectfully petition for an appropriate extension of time.

Any fees for such an extension together with any additional fees may be charged to Counsel's Deposit Account 50-2222.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Alicia Choi", is written over a horizontal line.

Alicia M. Choi
